

## Film-related Courses Spring 2017

Notes:

- When a course is cross-listed, it is better to register under the FILM rubric if there are seats left (it is easier to track

Film Studies minor requirements that way), but the course will also count if you register under the other rubric.

- LBST 1102 (Film and Society) is not included on this list because it does not count toward the Film Studies minor. Exceptions can be made, but only if you have a second 110X course (Arts and Society, Dance and Society, etc.) to take its place for the general education requirement.
